

Notice of Exhibition at ‘N-EXPO 2014’

We (Kyokuto Kaihatsu Kogyo Co., Ltd. Headquarters: 6-1-45, Koshienguchi, Nishinomiya-shi, Hyogo, Japan, President: Kazuya Takahashi, Business: special purpose vehicles, environment, car parking) will exhibit our products in the N-EXPO 2014 to be held in Tokyo Big Sight from May 27 (Tue.) to 30 (Fri.), 2014.

At the exposition, we will introduce our business by exhibiting environmental vehicles such as electric refuse trucks and panels and models of environmental equipment and systems such as pulverizers.

We will make an effort to obtain your understanding about our products as well as strengthen the special purpose vehicle business and the environmental business through the exhibition at this exposition. We hope that you will visit our booth.
