

## Notice of Exhibition at “N-EXPO 2017”

We (Kyokuto Kaihatsu Kogyo Co., Ltd. Headquarters: 6-1-45, Koshienguchi, Nishinomiya-shi, Hyogo, Japan, President: Kazuya Takahashi, Business: special purpose vehicles, environment, car parking) will exhibit our products in the N-EXPO 2017 to be held in Tokyo Big Sight from May 23 (Tue.) to 26 (Fri.), 2017.

At the exposition, we will introduce our business and products by exhibiting new type refuse trucks, a briquette machine and panels of environmental equipment and systems such as bio gas plants.

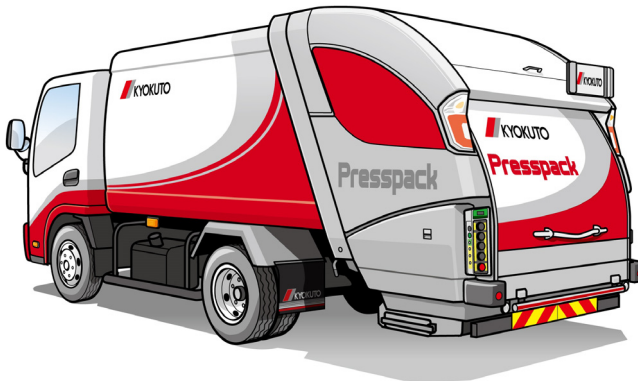

(※ We will make the exhibition at two places of the special purpose vehicles business booth and the environmental business booth.)

We will make an effort to obtain your understanding about our products as well as strengthen the special purpose vehicles business and the environmental business through the exhibition at this exposition. We hope that you will visit our booth.
