

Notice of Exhibition at “N-EXPO 2013”

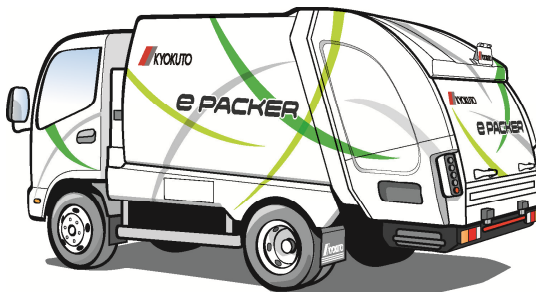

We (Kyokuto Kaihatsu Kogyo Co., Ltd. Headquarters: 6-1-45, Koshienguchi, Nishinomiya-shi, Hyogo, Japan, President: Takaaki Fudetani, Business: special purpose vehicles, environment, car parking) will exhibit our products in the N-EXPO 2013 to be held in TOKYO BIG SIGHT from May 21 (Tue.) to 24 (Fri.), 2013.

At the exposition, we will introduce our business by exhibiting our environmental vehicles including electric refuse truck and panels and models related to the environmental equipment such as truck mounted pulverizer.

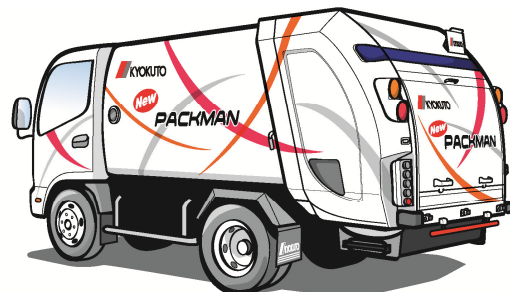

We will make an effort to obtain your understanding about our products as well as strengthen the special purpose vehicle business and the environmental business through the exhibition at this exposition.
