

Notice of Exhibition at “N-EXPO 2023”

We (Kyokuto Kaihatsu Kogyo Co., Ltd. Headquarters: Kyokuto Group Head Office Building, 2-5-11, Awajimachi, Chuo-ku, Osaka, Japan, President: Tatsuya Nunohara, Business: special purpose vehicles, environment, car parking) will exhibit our products in the N-EXPO 2023 to be held in Tokyo Big Sight from May 24 (Wed.) to 26 (Fri.) 2023.

At the exposition, we will introduce our business and products by exhibiting two press-type refuse trucks (mounted on an EV truck chassis/scale device installed specifications) along with a refuse truck safety support system and newly developed weighing support system installed on the trucks. We will also display our environmental business related products (biomass and recycling related products) and introduce those systems.

We will make an effort to obtain your understanding about our products as well as strengthen the special purpose vehicles business and the environmental business through the exhibition at this exposition. We hope that you will visit our booth.
